

Základní škola a Gymnázium Leonardo da Vinci Academy Governing board code of conduct

1. Aims, scope and principles

This policy aims to set and maintain standards of conduct that we expect all governors to follow.

By creating this policy, we aim to ensure that governors carry out their role with honesty and integrity, and help us to ensure our school is an environment where everyone is safe, happy and treated with respect.

Please note that this code of conduct is not exhaustive. If situations arise that are not covered by this code, governors will use their judgement and act in the best interests of the school and its pupils.

2. The 7 Nolan principles of public life

As governors, we will follow these [principles](#) at all times. They apply to anyone who holds a public office:

- **Selflessness** – we will act in the public interest
- **Integrity** – we will not act or take decisions to gain financial or other material benefits for ourselves, our family, or our friends. We will declare any conflict of interests
- **Objectivity** – we will act and take decisions impartially, fairly, and on merit. We will use the best evidence and avoid discrimination or bias
- **Accountability** – we understand that we are accountable to the public for our decisions and actions. To make sure of this, we will be scrutinised where necessary
- **Openness** – we will act and take decisions openly and transparently. We will not withhold information from the public unless there are clear and lawful reasons for doing so
- **Honesty** – we will be truthful
- **Leadership** – we will actively promote and support the above principles and will challenge poor behaviour wherever it happens

3. Governors' responsibilities

The 3 functions of our governing board are to:

- Ensure clarity of vision, ethos and strategic direction of the school
- Hold executive leaders to account for the educational and financial performance of the school, and the performance management of staff
- Oversee the financial performance of the school and make sure money is well spent

In order to do this effectively, as individuals we will:

- Understand and respect the distinction between the role and responsibilities of the board and those of the school leaders
- Set and maintain an ethos of high expectations for everyone in the school community, including in the conduct and the professionalism of the board itself
- Preserve and develop the character of the school
- Not undermine fundamental European values, including democracy, the rule of law, individual liberty and mutual respect, and tolerance of those with different faiths and beliefs
- Operate and make decisions in the best interests of pupils, informed by the views and needs of our key stakeholders (pupils, parents, staff, the local community and the local authority)
